A proposal shall be rejected at this stage if it does not respond to important aspects of the Terms of Reference or if it fails to achieve the minimum technical score indicated in the Appendix "ITC".

## Opening and Evaluation of Financial Proposal

- 2.1.28. After Technical Proposal evaluation, KPPF may notify those Consultants whose proposals did not meet the minimum qualifying mark or were considered non-responsive to the RFP and Terms of Reference, indicating that their Financial Proposals may be collected after completing the selection process. KPPF shall simultaneously notify the Consultants who have secured the minimum qualifying mark, **indicating the date and time set for opening the Financial Proposals** and stating that the opening ceremony is open to those Consultants who choose to attend. The opening date shall not be sooner than seven (7) days after the notification date unless indicated otherwise in the Appendix "ITC. The notification may be sent by registered letter, cable, telex, facsimile or electronic mail.
- 2.1.29. The Financial Proposals shall be opened in the presence of the Consultants' representatives who choose to attend. The name of the consultant, the technical scores and the proposed prices shall be read aloud and recorded when the Financial Proposals are opened.
- 2.1.30. The evaluation committee will determine whether the financial proposals are complete (i.e. whether the consultant has costed all the items of the corresponding Technical Proposal and correct any computational errors. The cost of any unpriced items shall be assumed to be included in other costs in the proposal. In all cases, the total price of the Financial Proposal as submitted shall prevail.

While comparing proposal prices between local and foreign firms participating in a selection process in financial evaluation of Proposals, firms incorporated in Kenya where indigenous Kenyans own 51% or more of the share capital shall be allowed a 10% preferential bias in proposal prices. However, there shall be no such preference in the technical evaluation of the tenders. Proof of local incorporation and citizenship shall be required before the provisions of this sub-clause are applied. Details of such proof shall be attached by the Consultant in the financial proposal.

- 2.1.31. The formulae for determining the Financial Score (Sf) shall, unless an alternative formula is indicated in the Appendix "ITC", be as follows: - Sf =

$100 \times \frac{FM}{F}$  where Sf is the financial score; FM is the lowest priced financial proposal and F is the price of the proposal under consideration. Proposals will be ranked according to their combined technical (*St*) and financial (*Sf*) scores using the weights (*T*=the weight given to the Technical Proposal; *P*= the weight given to the Financial Proposal; *T + p*

= 1) indicated in the Appendix. The combined technical and financial score, S, is calculated as follows: -  $S = St \times T\% + Sf \times P\%$ . The firm achieving the highest combined technical and financial score will be invited for negotiations.

- 2.1.32. The tender evaluation committee shall evaluate the tender within 30 days from the date of opening the tender.

- 2.1.33. Contract price variations shall not be allowed for contracts not exceeding one year (12 months).
- 2.1.34. Where contract price variation is allowed, the variation shall not exceed 10% of the original contract price
- 2.1.35. Price variation requests shall be processed by KPPF within 30 days of receiving the request.

### **Negotiations**

- 2.1.36. Negotiations will be held at the same address as “address to send information to KPPF” indicated in the Appendix “ITC”. The aim is to reach agreement on all points and sign a contract.
- 2.1.37. Negotiations will include a discussion of the Technical Proposal, the proposed methodology (work plan), staffing and any suggestions made by the firm to improve the Terms of Reference. KPPF and firm will then work out final Terms of Reference, staffing and bar charts indicating activities, staff periods in the field and in the head office, staff-months, logistics and reporting. The agreed work plan and final Terms of Reference will then be incorporated

in the “Description of Services” and form part of the Contract. Special attention will be paid to getting the most the firm can offer within the available budget and to clearly defining the inputs required from KPPF to ensure satisfactory implementation of the assignment.

- 2.1.38. Unless there are exceptional reasons, the financial negotiations will not involve the remuneration rates for staff (no breakdown of fees).
- 2.1.39. Having selected the firm on the basis of, among other things, an evaluation of proposed key professional staff, KPPF expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, KPPF will require assurances that the experts will be actually available. KPPF will not consider substitutions during contract negotiations unless both parties agree that undue delay in the selection process makes such substitution unavoidable or that such changes are critical to meet the objectives of the assignment. If this is not the case and if it is established that key staff were offered in the proposal without confirming their availability, the firm may be disqualified.
- 2.1.40. The negotiations will conclude with a review of the draft form of the Contract. To complete negotiations KPPF and the selected firm will initial the agreed Contract. If negotiations fail, KPPF will invite the firm whose proposal received the second highest combined score to negotiate a contract.
- 2.1.41. KPPF shall appoint a team for the purpose of the negotiations.

### **Award of Contract**

- 2.1.42. The Contract will be awarded following negotiations. After negotiations are completed, KPPF will promptly notify other Consultants on the shortlist that they were unsuccessful and the Financial Proposals of those Consultants who did not pass the technical evaluation may come to collect their financial proposals.

- 2.1.43. The selected firm is expected to commence the assignment on the date and at the location specified.
- 2.1.44. The parties to the contract shall have it signed within tender validity period unless there is an administrative review request.
- 2.1.45. KPPF may at any time terminate procurement proceedings prior to notification of tender award and shall not be liable to any person for the termination.
- 2.1.46. KPPF shall give notice of the termination to all persons who submitted tenders of the termination within fourteen days of termination and such notice shall contain the reason for termination.

It is the responsibility of the successful Tenderer to sensitize its issuing bank on the need to respond directly and expeditiously to queries from KPPF. The period for response shall not exceed three (3) days from the date of KPPF's query. Should there be no conclusive response by the Bank within this period, such successful Tenderer's Performance Security may be deemed as invalid.
- 2.1.53. Failure of the successful Tenderer to furnish an authentic Performance Security, the award shall be annulled and the Tender Security forfeited, in which event KPPF may notify the next lowest evaluated Tenderer that its Tender has been accepted.

**Corrupt or fraudulent practices**

- 2.1.54. KPPF requires that the Consultants observe the highest standards of ethics during the selection and award of the consultancy contract and also during the performance of the assignment. The tenderer shall sign a declaration that he/she has not and will not be involved in corrupt or fraudulent practices.
